**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a competitive provider of phone and Internet Services, Sonic.net because they are not overpriced like the big players in the field. There are only two other companies to choose from in my location and they are both overpriced from my point of view.

There are many thousands of Baby Boomers who are fixed-income seniors like myself who can greatly benefit from having an account with Sonic.net and like companies.

The price is right and they have excellent technical support by people who live in the US and can speak English well. Seniors appreciate both price and accessible tech support!
